CELL PHONES & SOCIAL MEDIA

What you need to know to keep your child safe!

PRESENTED BY:

Safer Schools Together in partnership with the Ministry of Education and Surrey Schools

With society heading in a direction of being constantly connected to technology, what do you need to know as parents to protect your kids and teach them responsible and appropriate use of technology?

Please join us for an informative presentation which will cover the following topics and more!

- ✓ current apps and trends
- ✓ tips and tricks to use at home
- ✓ current research on brain development and technology
- ✓ raising digitally responsible youth
- ✓ digital footprint and reputations

With their future approaching, recruiters and employers are taking note – what will they find?
