Blended Learning Classes

The official start date for our blended learning classes is Monday, September 21st. At this time you should have received information from your child's teacher. On Wednesday, September 23rd will be the first face to face afternoon session (12:35 - 2:35) for the blended learning students. All students will

attend in their blended learning cohort, with their blended learning teacher. Beginning the week of September 29th, students will attend Tuesday, Thursday afternoons increasing to three afternoons a week beginning November 2nd. Participation will be expected daily and attendance will be taken morning and afternoon.

Terry Fox Run

Monday we will begin fundraising for our annual Terry Fox Run which will be held September 25th all day. This year's run will look a little different. We will hold a run-a-thon throughout the day and classes will run in their learning groups. Please use the link below to donate to this year's run.

Drive through lane and Parking Lot

So far the year has started off well with our drop offs and pick ups. Just a reminder, if you are picking up or dropping off you are using the right side of the lane, please do not cut in. If you are driving through you are on the left. In addition, we have two designated handicapped spots which are used by students in our school. Please don't pull in to those spots to drop off or pick up. Once again this year, we have more staff than parking spots so there is no parking in the teacher lot. Thank you so much for your understanding and helping to keep our students safe.
