

## **Latimer Road Elementary Community Facebook Page**

For those parents/caregivers who may not be aware we have a Facebook Page for our school. This is a place for current Latimer Road Elementary School students and families to share information about school, activities and community events if applicable.

To find us, please look for **Latimer Road Elementary Community** in Facebook.

This is a closed group, we strive to ensure the privacy of our members therefore please be prepared to answer questions upon request of membership (this information will remain confidential and will only be viewed by the group Admins for cross check purposes).

Finally it is important that each member are familiar with the **Group Guidelines** which is stated at the top of the discussion page.

Thank you  
Latimer Rd School PAC
