

Idafs

LEARNING DISABILITIES ASSOCIATION • FRASER SOUTH #101 - 14225 57 Ave. Surrey, BC

NOW REGISTERING: 2025-2026 Therapeutic Tutoring Programs *designed for neurodiverse learners*

ONE TO ONE MULTISENSORY READING & SPELLING AND MATH PROGRAMS (based on the Orton Gillingham method)

REMEDIAL MATH: a multisensory approach to learning math skills & concepts using the registered O-G Method for grades 1-9.

REMEDIAL READING: Students are taught using the Barton Reading & Spelling System, a multi-sensory, evidence-based, O-G influenced program that provides explicit instruction in phonics, spelling patterns, and sound-symbol knowledge.

*LDAFS supports students with diagnosed AND undiagnosed learning difficulties. A learning disability diagnosis is **not** required to participate in the program.*

- 2 lessons per week
- \$50/reading lesson and \$60/math lesson
(funding and subsidy options available)
- online, in-person, or hybrid lessons
- flexible scheduling
- students aged 6-16
