

LET'S KEEP OUR SCHOOLS SAFE

The Surrey School District recognizes the importance of face-to-face learning and is committed to ensuring our students can continue to learn as safely as possible by following all appropriate measures to limit the spread of illness.

With the final quarter of the school year beginning and cases increasing in our community, it is so important that we continue to remain vigilant.

Staff and students should continue to follow health and safety protocols, including:

Check up

Do a daily health check and stay home if you are unwell. And if you have symptoms get tested.

Back up

Maintain physical distance where possible, including within your cohort.

Wash up

Wash or sanitize your hands regularly.

Mask up

All K-12 staff and students in grades 4-12 must wear a mask in all indoor areas.

Students in Kindergarten and grades 1-3 are encouraged to wear a mask.

Wear your mask safely – ensure it is clean and dry, is a good fit, covers your nose and mouth fully. And remember, don't touch your face or play with your mask.

Thank you for everything that you are doing to keep our schools safe

Our schools have remained open through the pandemic. Keeping schools open keeps children and youth active and connected to their peers, which is vital to their well-being.

Our ability to remain open is a testament to the fact that our staff and students are protecting each other and following protocols consistent with public health guidelines and recommendations.

Thank you for all you do to keep our schools safe.

Over 90% of our school-based staff have received their first dose of vaccine.
