

*I'm reaching out to you about a workshop series that will be starting on September 13th, 2021. **Let's Talk About SIB (Self-Injurious Behaviour)** is a series created by Dr. Anamaria Richardson and the Family Support Institute to provide support for families of neurodiverse children with SIB. With the date approaching soon, we wanted to reach out to see if you would be able to share this event with your community so that everyone is able to take advantage of this opportunity. There will be a total of 6 workshops, each focusing on a unique SIB-related topic. Workshops will consist of an information session as well as a Q&A portion where families are able to share their experiences and receive support from each other.*

More information regarding the sessions and registration can be found on the Family Support Institute website linked here (<https://familysupportbc.com/self-injurious-behaviours/>) or on the poster attached to this email.
