Dear Lord Tweedsmuir Secondary parents and caregivers,

Earlier today, one of our staff members received a concerning email and, as a result, we contacted the RCMP and our District's Safe Schools Department immediately.

Based on their initial investigation, RCMP determined the threat was not credible. There was no safety concern for our students and staff at any time.

RCMP did not recommend a hold and secure but did conduct a thorough search of our school out of an abundance of caution.

Please be assured that the safety and wellbeing of our school community is always our first priority. If you have any questions, please feel free to contact me.

Sincerely,

Mr. Ken Hignell
Principal
