

Dear Parents/Guardians and Students,

**In-Class (i.e. Face to Face) Instruction Suspended Indefinitely  
However, your learning is NOT over! It will just look different.**

On March 17, the BC government suspended all in-class kindergarten through Grade 12 face to face instruction indefinitely to help contain the spread of COVID-19.

**Students are NOT to come to school on Monday, March 30.**

Our priority is your health and our community's health. That is why you are not at school and cannot come to school. The more human contact we all have right now, the more COVID 19 will spread.

**YOU WILL NOT COME TO SCHOOL UNTIL FURTHER NOTICE.** Matheson administration will be crafting a plan that allows you, as students, to enter the school to pick up your books and other belongings that follow the standards of the Provincial Health Office. Stay tuned for that.

Please see Superintendent, Jordan Tinney's message to Parents and Students: The video is available at <https://vimeo.com/401370166>

For the latest information, please see the District's COVID-19 updates HERE: <https://bit.ly/3apuww8>

Stay tuned to our Mustang App, Website, and phone messages for daily updates.

**Your teachers should be trying to reach you later this week and next week. IF YOUR TEACHER HAS NOT REACHED YOU BY THURSDAY, APRIL 9, PLEASE CONTACT THE SCHOOL AND GIVE US THE FOLLOWING CRITICAL INFORMATION:**

**Email your Period 2 teacher (or your alpha VP if you have a study in P 2) with the following information:**

1. First and Last Name and student number
2. Do you have regular access to the internet at home?
3. Do you have regular access to a device that can access the internet?
4. What are the best email address and phone number at which to reach you?

Nothing like this has happened in any of our lifetimes. At different times most of us are afraid, frustrated, lonely, worried, anxious, bored, sad and more. While we need to keep our physical distance right now, we also need to support each other. The staff of LAM are here to support you. The best way to reach us is by email: <https://bit.ly/2wyqq6w>

We appreciate you may have (and will have) questions, and we wish to address each of these. For the moment, we ask that you wait for the additional information from the District and the detailed program that we will be forthcoming later next week, since we believe many of your questions will be answered in this material.

Sincerely,

Peter Johnston  
Principal
