Dear Parents:

This message is to give some information regarding the upcoming Interim reports.

The expectations are for semester class students to self-evaluate their progress thus far. They are to reflect on their

- 1) strengths
- 2) areas for improvement
- 3) goals for report card Term 1

For this reporting period, teachers are able to use a variety of formats to communicate student learning. Although the Interims are meant to be student-directed, students who are at-risk of possibly being unsuccessful before Term 1 will be given an "I Form" which will give students and their parents/guardians a "heads-up" as well as a plan for success moving forward.

Interims and I Forms will be distributed on Friday, November 2nd, 2018.

Thank you.

Ms. Hammond
Principal
