

## LOST AND FOUND

It has only been two weeks and our Lost and Found Box is full again! The items have been placed along the hall so it is easier for students to identify their clothing.

I would like to suggest, if you are able, to sew/attach a label to your child's clothing so we can easily identify who it belongs to. This will reduce the chances of the clothing being taken to Good Will after a few weeks.

Thanks for your help everyone!
