

# Maddaugh Road Elementary – 19405 76<sup>th</sup> Avenue – Surrey, B.C.

May 6, 2020

Dear Parent/Guardian,

Previously, you received a letter with an invitation to attend a Parent Information Evening at your child's current school because your address falls within the new Maddaugh Road Elementary catchment. As your family will be part of the legacy of opening and creating a new school culture, we wanted to make sure that you receive timely updates and information regarding the progress of your beautiful new school.

Since your original invitation, we have had many changes in our lives, including the new rules of social distancing, which extends to not gathering at schools.

We had originally planned for a short presentation that would provide an overview of some of the work happening at the new school site this spring and next fall, give a update on the construction progress and tentative opening of Maddaugh Road Elementary, introduce myself and our staff, speak about fall transition plans and answer your questions.

In place of our scheduled meeting, I am happy to share [THIS RESOURCE](#) which provides you with information regarding:

- Construction progress
- Staffing updates
- Transition plans
- Answers to some of your questions
- How you can continue to provide feedback

As we move towards the school opening, there is an opportunity to join a joint parent/staff transition committee. Your PAC will send you an email with an invitation looking for 2 volunteers to join in on this work, The transition committee will form an important part of the new school start up. In order to have these important conversations, I will share information on the virtual platform we will use to host these live meetings.

I, and your children's future teachers, excitedly look forward to meeting you and your children very soon!

Sincerely,

Antonio Vendramin  
*Principal, Maddaugh Road Elementary*
