

# PAC NEWS MARCH 2025

Congratulations to #76 Elena, whose number was drawn by our school secretary to win the \$1000 prize. It is a well-deserved win as Elena has been an active volunteer at the school for well over a decade. And thank you to those that participated. We raised \$700 for the school.

**Share the link with your family, friends, neighbours, and coworkers! Let's bring the Abbotsford Canucks to Maple Green!**

Just a reminder that all money raised pays for activities and educational resources for the school. This includes technology, books, classroom supplies, field trips, sporting equipment, school-wide presentations and activities such as the hip hop classes, and more. **Unfortunately, the Ministry of Education does not provide sufficient funds to our district, resulting in less money to distribute to schools. Our fundraising initiatives pay for these critical resources.** Our goal is to provide the best education, learning environment, and school experience to our children and we appreciate your support.
