## *Principal's Message*

*March 13<sup>th</sup>, 2020*

We are not even sure how to describe the past week. Ever changing, intense and uncertain may be words that help define the mood around the world. At Salish however, the focus remained on learning. I truly appreciated the sense of calm that was felt around the school despite the constant updates and news on COVID19 that overwhelmed our email, newsfeeds and social media. It was great to see the rugby and flag football teams practicing, hearing the band rehearsing and watching students participate in learning. It was business as usual.

Despite these extraordinary times, we had the opportunity to participate in the Home Economics Department's 'Soup off'. The event was so popular that there was a waitlist for judges. Meanwhile, the Grade 9 Social Studies classes participated in a Heritage Fair in the Library. The entire Learning Commons was full of student work. Thank you to teachers for sharing your students learning with our Salish community.

Thursday was Parent/Teacher interviews. There was a steady stream of parents for both sessions. Parents were thankful for the opportunity to meet with teachers. The library was full during the second session as students showed parents their Heritage Fair projects.

We say farewell to Tammie, our day custodian. We thank Tammie for all her hard work and wish her all the best in her new position. We also wish Mr. Barrun all the best, as he will not be returning after the break. We thank him for his work with our students this year!

We wish everyone in our Salish Community a restful Spring Break

Ms. Hammond, Mr. Mahli and Mr. Tait

## PARENT CORNER

Donated food waste - Apples

So many good things are happening here at Salish. We are proud of how our students represent us in Theatre, Music, Dance, Sports and so many other ways.

It is with such disappointment that I need to address the issue of food waste with the entire school. Every month we receive free fruit and vegetables from BC Agriculture. However, the food is being thrown around in stairwells and used to cause vandalism in the washrooms. Last week, we were given apples which were taken and used to be so destructive in bathrooms, classrooms and hallways that we need to address this behaviour with our entire school community.

We need to ask ourselves why would we feel so privileged that we would destroy food when other students in Surrey schools go without food at home.

We will be reflecting on this issue with our students when we return after the Break.

# Grad Night

## Grad Night 2020

Well 2020 is here and Grad Night is just around the corner. Most plans have been finalized and it is time to give out some details. Grad Night will be a combined event this year. They will then be bussed back to Salish Secondary to be picked up at around 5:30-6am.

- Tickets are **\$175 each** and include both the Dinner/Dance and the Dry Grad.
- Tickets on Sale **April 6th to May 8th** and payment will be made through this [SchoolCashOnline](#) link.
