

Mission Statement

We are a community of learners where everyone learns with positive social, emotional and intellectual support.

Principal and Vice Principals Message

February has been another exciting month at Beaver Creek Elementary. We are very proud of all the hard work that has gone into the second term of the school year. Please take the time to celebrate your child's success and set goals with them as we move forward to the third and final term. Report cards will be going home Friday, March 5th.

Thank you, parents and guardians, for your continued support. On Wednesday, March 10th at 1:30 pm there will be an early dismissal for Parent Teacher Conferences. Please make sure to call the office and book an appointment to speak with your child(ren)'s teacher. Due to COVID health and safety protocols, all Parent Teacher Interviews will be conducted on the phone or on TEAMS. If you cannot make it on Wednesday, an alternative date can be arranged with your teacher.

With Spring Break just around the corner, we would like to wish you and your family a safe and restful time off school. During the break, we encourage students to read for pleasure as part of our Love of Reading and to keep record on their 25 Nights of Reading log.

Ms. Anderson and Mr. MacLennan

STUDENT DAILY HEALTH CHECKS

As part of the work being done to update Surrey Schools COVID-19 Safety Plan to reflect recent changes to the BCCDC and Ministry of Education guidelines, the Ministry of Health has provided families with an additional resource, the online K-12 Health Check. This webpage can be used if your child is experiencing symptoms of illness and also includes a link for parents to download a **K-12 Health Check Mobile App**.

Click on the link here [K-12 Health Check](#) or use the QR code (access with your device's camera) to perform the daily checklist and for more information. →

Every year our district typically holds an in-person community forum and invites PAC representatives to attend sessions to learn more about our budget and other key priorities. In the interest of health and safety, we have moved our [2021 consultations](#) online. We have pre-recorded the presentations so they can be viewed safely at home from this [web page](#) or by accessing this QR code with your device's camera.

This year's agenda includes:

[Introduction](#) (Surrey Board of Education)

[Budget 2021](#) (presenter: Simon Ayres, Assistant Secretary Treasurer)

[Blended learning](#) (presenter: Assistant Superintendents Andrew Holland and Christy Northway)

[Capital projects](#) (presenter Dave Riley, Director Capital Project Office)

[Closing](#) (presenter: Jordan Tinney, Superintendent)

Surrey Schools is inviting all staff, students, parents and members of the Surrey, White Rock and Barnston Island communities to learn about and provide input on the 2021-22 district budget. Participants can share their feedback via an [online survey](#), or reach out to us through email (consultations@surreyschools.ca), traditional mail or your local Parent Advisory Council representative. **The survey will run until end of day, March 12.**

It is important to remember that while the majority of the district's budget is pre-allocated to operating and capital costs (i.e. school construction, additions, seismic upgrades, teachers, educational assistants, programs/services and supplies), there is some room to address priorities identified by the community. This can include anything from funding scholarships, to classroom enhancement funds to new programs and social initiatives.

Virtual Early Learning Programs

These interactive virtual sessions will provide opportunities to enjoy songs, rhymes, story-time and other play based activities as well as information about services you can access within the community. To register, please [click here](#) or email Dawn Broneski at broneski_d@surreyschools.ca.

Who: Parents/Caregivers and children aged birth – 5 years old
