

MARCH 1st 2021

Did you know that all parents and caregivers of Latimer Road students are voting members of our PAC? We'd be thrilled to have you join us at our next general meeting! **It's tomorrow (Tuesday, March 2nd) at 6:30pm via Zoom.** Here's a link to the [agenda](#). Please also review the draft [minutes of February's meeting](#).

At our February meeting, we discussed whether or not our PAC should support a resolution to **remove the Foundation Skills Assessment (FSA)** as a standard for assessment. The resolution is one that could be brought forth at this year's BCCPAC conference, and we would like to know how our members feel about supporting this resolution. Please see the above draft of our February minutes for a summary of our discussion. If you have any input on this topic, please email us at latimerroadpac@gmail.com. Thank you!
