

Dear Latimer Families,

We hope you had a restful and enjoyable spring break with your families.

We just wanted to ensure that you are aware of the new mask wearing protocols for students in K-12. Masks are now mandatory for students in Grades 4-12 and strongly recommended for students in K-3. Please ensure your child comes daily with a mask.

Exceptions apply for the following reasons:

- If an individual is unable to wear a face covering because of a psychological, behavioral or health condition; or a physical, cognitive, or intellectual impairment
- If an individual is unable to put on or remove a face covering without the assistance of another person
- While communicating with a person who has a hearing impairment
- When an individual is actively eating or drinking

Thank you so much for helping us do our part to help stop the spread of Covid 19.

Regards,
Susan Yip
