Dear Families,

Thank you to all of our parents for working so hard to make our drop-off / pick up experience so much smoother and safer for our school community.

We have a few reminders to parents:

- *please pull over to the right side of the drop off / pick up zone (adjacent to the curb) when dropping students in the morning and picking them up after school*
- *please note, the left side of the drop off / pick up zone is designated the drive thru lane*
- *please do not park in our drop off / pick up zone as it impacts the flow of traffic*

As always, your cooperation and understanding are most appreciated by our entire school community. The positive feedback we have received from so many families has validated the staff who have been dedicated to assisting with this transition process!

With gratitude,

Lisa Chambers

## Health & Safety

With our recent Covid exposures at Woodland Park we wanted to remind our families to follow these important guidelines:

- |                 |   |
|-----------------|---|
| <b>CHECK UP</b> | (complete the 'Daily Health Check' each morning)          |
| <b>BACK UP</b>  | (keep 2 meters distance from others as much as possible)  |
| <b>MASK UP</b>  | (please wear a mask on school grounds if you are able to) |
| <b>WASH UP</b>  | (wash hands regularly)                                    |

## School Playground

A friendly reminder that our school playground remains closed both before and after school.

Thank you for your continued support and we look forward to a time when we can reopen our school playgrounds for our families spending time connecting with each other.
