Marble Season

The Marble Queen made her annual appearance this week. Dressed in her finest blue and armed with hundreds of marbles, she challenged the children to play “for fun” or “keeps”. As usual, she lost most of her marbles!!! Good fun was had by all and hopefully a “Marble King” will turn up next year to continue the tradition here at Woodland Park.

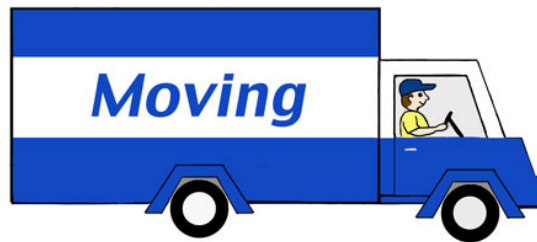

Summer is fast approaching!

With only 4 weeks left to the school year, there will be a lot going on in June. Everything from year end fieldtrips, Sports Day, the District Track Meet, Aboriginal Days, a school wide Zumba Day, a Band Performance, a Pancake Breakfast and the Grade 7 Leaving celebrations will fill the days.

As the weather gets warmer we know the students want to dress for summer. This is totally understandable (as the staff feels the same!). I would like to ask for your support in respect to what is appropriate for the school environment. Short shorts are for the beach. A good rule of thumb would be the length of the shorts should be no shorter than the tips of the fingers when hands are at ones side. Tops should not have spaghetti straps. As with all staff, flip flops are not allowed as they can create a tripping hazard. Thank you for your help with this.

Staffing

We will have a number of staff leaving Woodland Park as well as new faces coming in September. Prior to the end of the year, we will let you know more about our staffing changes.
