Principal's Message

There is a lot happening at École Salish as we head into the final weeks of the school year.

Results came in from our Track and Field Team who competed in the Fraser Valley Championships last week. Emma Kearns, Nick Sebastianelli, Rachel Woode, Lindsay Cyr, and Ryan Cyr all qualified in their respective events for the BC Championships. Lindsay and Ryan both placed first in their events. Thank you to Ms. Riddoch for sponsoring our athletes at these meets.

On Wednesday, our Grade 10 French Immersion students went to a Richmond climbing centre. The students learned to climb while being instructed in French. What a wonderful opportunity to use the French language while learning a new skill of climbing and getting a great workout! Next week, our Grade 11 French Immersion students will have the same opportunity.

We had students participate in the Grade 8 Surrey Badminton Championships this past Thursday. It was a very long day and the team was at the Championships until 9 pm. Hannah Sanchez was 10th in girl's singles, which means she made the Fraser Valleys that will take place on Monday. Coach Gill took 8 players and overall played well. Thank you to Ms. N. Gill for coaching the team.

Our Girl's rugby team played their final game Thursday after school at Fleetwood Park. The girls were in the consolation round of the Fraser Valley's and played against a more experienced Guildford Park team. Our girls played hard but did not win the consolation game.

The first episode of Wolf TV aired this week. The students are calling the series "Wolf Eye" and the initial episode received positive reviews on social media. The next episode is currently being filmed and will be ready for distribution soon!

Ms. Hammond, Mr. Mahli and Mr. Tait

CAREERS CORNER

Current Opportunities:

Three-Day Roofing Training Program and Apprenticeship Employment

Looking for summer work? Students will be placed with an employer and signed up as a Youth Apprentice at the end of the training. Contact Dave Coleman: dave@rcabc.org with any questions.

Canada Summer Jobs

Youth can now search for employers that have been approved for Canada Summer Jobs funding to hire students.

Find the database at this link: <http://disclosure.esdc.gc.ca/dp-pd/eec-csj/eec-csj.jsp?lang=eng>

Workforce Trade Certification Program

Are you looking at working on constructions sites in the future? Would you like to gain some of the required certification for free? This Fall Continuing Ed. is offering the Workforce Trace Certification Program which upon successful completion, students may receive the following certificates:

1. Propane on the Work Site
2. Occupational First Aid Level 1
3. Construction Safety Training System (CSTS-09)
4. Fall Protection

KPU's Low Voltage Program and Intro to Public Works Program are now accepting applications.

To find out about the Low Voltage Program visit: <http://www.kpu.ca/cps/lowvoltage>

For the Public Works Program visit: <http://www.kpu.ca/cps/introtopw>

Visit the Career Centre (Room 221) and follow our Instagram (@salishcareercentre) to stay up to date with all the new opportunities!
