

Mayfair Update

Hello families!

It's just over 2 weeks to our huge fundraising event and we're all super excited to spend the day having fun!

POP UP TENTS!

We're looking for lots of pop up tents so if any of our parents will allow us to borrow them for a couple of days please contact Lee at lee@frosts.ca

CAKE WALK!

There's going to be a fantastic never-ending, cakewalk in the library with musical pads that allow our kids to win a cake! Some of the bakers in the local community are generously donating cakes but we're also looking for lots of parents that can make something at home and bring it to the library on the morning of Mayfair at 8am. We know there are some amazing parents that can bake so please come and show off your talents! If you are willing to bake or even buy a cake, please contact Liz at egreen99@gmail.com

FLEA MARKET!

The final drop off dates for toys, books, clothing (adult and children's) small household items and jewelry is Thursday 26th and Friday 27th in the Gym. We are still desperately in need of volunteers to help sell those items at our wonderful flea market on the day of Mayfair, Saturday 28th 9-4pm. If you can help us, please contact Denise at quentinanddenise@yahoo.ca

RAFFLE TICKETS!

Your children are doing an amazing job at selling raffle tickets! Don't forget the class that sells the most tickets wins a PIZZA PARTY and the student that sells the most tickets gets a brand new IWATCH!!! The deadline for returning the tickets and money is Thursday May 26th. Please remember to return all unsold tickets, as we will need them to sell on the day.

BRAND NEW CAR!

We've just been informed by the car dealership that the brand new Chevy Spark is **NOT** electric. Although it would have been neat to have – we still have a new car to raffle along with **LOADS** of great prizes!

Many thanks!
