

MEASURING TIPS

TO ASSURE THE BEST FIT

SLEEVE: With arm bent and hand on hip, place tape measure at the base (Center Back/CB) of your neck and follow along the top shoulder and arm to the wrist.

BUST/CHEST: With arms at sides, place tape measure under your arms and run it around the fullest part of the chest and across the shoulder blades.

WAIST: Find the natural crease of your waist by bending to one side. Run tape measure around your natural waistline, keeping one finger between the tape and your body for a comfortable fit.

HIPS: With feet together, run tape measure around the fullest part of your hips/seat, about 7 to 8 inches below your waistline.

INSEAM: For full-length pants, run tape measure along the inside of your leg, from just below the crotch, to about 1 inch below the ankle.
