MEDICAL ALERT INFO & CARE PLAN
(Asthma)

D. PROCEDURES TO DEAL WITH A PROBLEM

1. **Check medications & administration (section C)**
2. Ensure that bronchodilator medication is available and administered. Have an adult stay with the student.
3. Repeat treatment in 10 minutes if symptoms persist.
4. The attack is **SEVERE** if:
   a) Two bronchodilator treatments have not helped, **OR**
   b) The student has difficulty speaking, moving; or is turning blue, pale or sweating; or requests a doctor, ambulance or to go to hospital - **IMMEDIATELY arrange for transportation to hospital - CALL 911**.
5. Notify parent/guardian.

D. TO BE COMPLETED BY THE PARENT / GUARDIAN

Initials

__________ I am aware of Board Policy and Regulation on the Treatment of Students with Medical Problems.

__________ I agree that the above information is correct.

__________ If changes occur I will contact the school and provide revised instructions.

__________ I agree that if medication is required I will supply it to the school in the original container with my child's name and the pharmacist's directions for use, including dosage.

__________ I am aware that no medication will be administered until this form is completed and returned.

__________ I am aware that the Public Health Nurse for the school will be informed of my child's condition and medication and that the nurse may contact me as necessary.

__________ I am aware that staff working with my child may need to know of my child's condition and of the medication required.

__________ I am aware I am required to update this information each September, or as it changes.

I authorize and request the administration of the above medication from ________________________ to ________________________.

I will provide the medication in the original container with expiration date, labelled by a pharmacist.
