

Message from Latimer Road PAC.

Hey families! We're in need of three or four volunteers to help out in the morning of the Kids Swap.

- CONCESSION HELP/7:30am: Starting the percolator, setting the up kitchen and helping serve Vendors/shoppers. We have another person coming in the morning so if you could only help out until 930 or so that works too! We could use another to help out in the afternoon too if you're able!

- REGISTRATION TABLE/7:20am: Helping with checking in vendors and directing them to their table, collecting payment.

- SET UP/7:00am: (Could possibly be the registration person as well) to help set up a tables.

- GREETER/PAYMENT COLLECTOR/8:40am: Helping collect entrance fee throughout the event for shoppers. The swap runs from 9:00am to 2:00pm. (Could be the registration table person too!)

Thank you everyone! We could really use some extra hands to make this event run smoothly!

Please either comment here or message:

latimerroadkidsswap@gmail.com if you're able to help!

Thanks!
