Hello parents,

Are you moving? We are already planning for September and the 2020/2021 school year. It is important that we are as accurate as we can be with our student population numbers. If you are likely to be moving to another school for September please email the school at [ermastephenson@surreyschools.ca](mailto:ermastephenson@surreyschools.ca) indicating your child's name and the grade and division they are currently in along with the name of the school they will be attending in September.

Please forward this information a.s.a.p.

Thank You!
