

April 27, 2020

Registration for NEW Latimer Road students for all grades is open!

Although we are unable to take in person registrations for new students at this time, they can be completed electronically.

If you know of anyone who lives in our catchment who would like to attend in September please have them email [latimerroad@surreyschools.ca](mailto:latimerroad@surreyschools.ca) and we will advise the steps involved in the registration process.

Please note: if you are currently enrolled at Latimer Road, you do not have to re-register for next year. If you plan on attending another school in September, please let the office know.

Thank you and stay safe!

Latimer Road Office
