#### **Mrs. Swansburg**

At this time Ms. Swansburg will be taking a short term personal leave. Ms. McCredie has been appointed as Acting Vice-Principal until Ms. Swansburg's return. We are sure that everyone wishes Ms. Swansburg well. In her role as both teacher and vice-principal she has made strong connections with many students and families in the school community.

Congratulations to Ms. McCredie. She is also a highly respected member of the White Rock staff. Ms. McCredie is excited to support our school and students in her new role.

#### **Movember Ends Friday At White Rock**

Mr. Bencze, Mr. Fryer, Mr. Hurt, and Mr. Rudd are participating in 'Movember' -the fundraiser to raise awareness of, and support research into prostate cancer.

To end the campaign at White Rock Elementary (a day early) Mr. Bencze, Mr. Hurt, & Mr. Rudd are going to have students shave off their moustaches (Mr. Fryer is in a separate contest with his brothers and has to go to the bitter end on the 30th). Every student's name will be placed in a bowl and names will be drawn to shave their moustaches.

As an option students can bring a loonie (to school this Friday to support our staff's efforts to raise funds for prostate cancer research. Please note the donation is optional, and is not required to have a name drawn to shave a moustache.

**MOVEMBER**

If you would like to donate to the White Rock team please visit <https://mobro.co/12703557?mc=1>

So far the White Rock Team has raised \$270.00.

## Concerts

This year our school will once again provide an opportunity for students to perform for parents, relatives, and friends at Christmas time.

***Presentations of this nature are voluntary for teachers.*** We are fortunate to have a staff that is willing to organize an event such as this at such a busy time of the year.

Seating is limited in the gym and based on a first come, first served basis.

***A donation to the Food Bank is greatly appreciated.***

## Hold & Secure Yesterday

Yesterday, under the direction of the White Rock R.C.M.P., the school was placed under a *Hold & Secure*. *Hold & Secure* is different than a *Lockdown* as students are not sheltered in an area of the room, and can continue working in their classrooms. The doors and shutters to the building are closed and locked.

When schools are directed to implement a *Lockdown*, or a *Hold & Secure*, **the school is not informed of the reason for the direction.**

All the school is able to communicate to the community is that the *Lockdown* or *Hold & Secure* is in response to a police incident in the area.
