### Cold Weather & School Closures

As we head into the cold winter months, please ensure that your child comes dressed appropriately for the cold. If you are unable to provide your child with a hat or winter coat, please speak with Mrs. Tarnowski.

Also, please see the message below from our school district regarding school closures:

As winter weather approaches, we want to remind parents/guardians, students, and staff of the Surrey School District's severe weather procedures and announcements.

All schools in the Surrey School District will remain OPEN, except under extreme circumstances.

Any districtwide closure or delayed school opening will be announced on the Surrey Schools [website](#) and individual school websites, as well as communicated on the district's [Twitter](#) and [Facebook](#) accounts. Metro Vancouver media will also be alerted.

**Please note:** No announcement will be made that schools are open. Only cancellations, closures or delayed school openings will be announced.

Student safety is our first priority and a shared responsibility. As always, parents may choose to make other arrangements if they don't feel it's safe to travel to school and students will not be penalized for such absences.

For more information, please check our information brochure, available in [English](#) and [Punjabi](#).

If you will be keeping your child home, please be sure to call and leave a message with the office. We do have voice mail if you are calling outside of office hours. Thank you for your help and cooperation with this.
