October “Scare the Hunger” Food Drive

Our student leadership team will be collecting donations and non-perishable food items for the Surrey Food Bank. Students are invited to “Trick or Treat” at the office on October 31. In exchange for non-perishable food items, students will be given a small chocolate treat. Thank you for your support!

West Coast Recess and Lunch

Please remember, as the weather constantly changes, we will have a “West Coast Recess and Lunch.” Students need an active break from the classroom environment and will be expected to be outside at recess and lunch, regardless of the weather. Of course, consideration will be given to extreme weather conditions. Please ensure that your child is prepared for the possibility of inclement weather and an outside recess and lunch. This means, students come to school wearing a proper jacket and proper footwear. Umbrellas and boots are always a great idea on those wet west coast days.
