### **Parking and Drop Off**

The traffic along 70A Avenue is quite hectic and many drivers drive erratically. As this is where our main crosswalk is, it is very important for the safety of our students that we have all families adhere to the parking guidelines, as well as, demonstrating safe driving. Within the first couple of weeks of school, we had a number of near misses as drivers were making u-turns, blocking the visibility of the crosswalk, and driving at speeds over the posted speed limit for a school zone. It is impossible for schools to have enough parking to accommodate all families. We encourage you to use the drop off bay located on 123<sup>rd</sup> Street to avoid the need to park. Also, a reminder that the staff parking lot is not to be used for dropping off or picking up students. This week, families will receive a map that I received from the City of Surrey that shows the parking areas as well as areas that are designated no stopping. If you have any questions or concerns, please feel free to contact me at the school office. Thank you for helping to keep our students safe on their way to and from school.

### **PAC Meeting Wednesday**

This Wednesday is our first Parent Advisory Council (PAC) meeting of the year. All parents are welcome to attend. The meeting will be at 8:45 AM in the Multipurpose Room.

### **Photo day**

Photo Day is Wednesday, October 2. Students are encouraged to dress their best to be prepared for their individual photos. We will aim to take our younger student's photos earlier in the day.

### **Scholastic Book Fair**

Our Scholastic Book Fair will be running in our school library during the first week of October. The Book Fair will be open Tuesday - Friday from 2:30 – 2:45 PM. This is an opportunity for children and families to purchase books and also help support our school. The book fair will also be open during Meet the Teacher Night.

### **Meet the Teacher Night**

Now that our students are settled into their classes for the year, we will have our Meet the Teacher night for Grades 1 – 7.
