Newsletter #14: March 10, 2022

Acting Principal: Ms. R. Ladd

A few updates and reminders before we head into Spring Break:

- First of all, I am very happy to let you know that I will continue to be part of the Berkshire Park community for a little bit longer after the break. It has been such a pleasure to be here, so I am honoured for the gift of a bit more time. Ms. Turner and I will continue to work together as she transitions in as principal; we both want the process to be as smooth as possible. We will provide updates on the transition as we have them.
- A continued reminder about drop-off and pick-up protocols:
 - Be respectful of our neighbours and their property; please do not park on driveways or lawns. Please also do not leave any of your litter or property on theirs
 - Keep moving in the drop-off zone; this is not a place to park or get out of your vehicle; when the drop-off zone is not moving, it creates HUGE problems on 94th Ave
 - We have volunteer student traffic monitors who will remind you to keep moving and to stay in your vehicles; please be respectful of their requests
 - With the weather improving, please walk to school if you are able; that makes it better for everyone and the environment
- We are continuing to look for a temporary crossing guard in the mornings (8:10-8:40) and after school (2:20-2:50). If you are able to help out for some days and times, please contact the school office.
- Ready, Set, Learn – Here is a link to our RSL presentation:
<https://sway.office.com/5MhMi7U9GVB1RA3V?ref=Link> If you have a 3 or 4 year old in your household and did not previously fill in the form for an RSL book and package, please contact the school office as we have a few packages available.
- Spring break is March 14-25. We hope all of our families have a wonderful break and may it be exactly what you need it to be – a gift of family time, relaxation, and adventures. Have fun and see you on March 28th!
