OPENING DAY!

On September 5, grade 8-12 students will report to their homeroom teacher (Block C teacher) at 10:30 am who will assist with questions, concerns and planning for the rest of the week. Please ensure your child brings a pen or pencil for completing any forms that may be required. Students who do not register with their Homeroom teacher on the first day of school are often assumed not to be returning to EMS. As we have waiting lists for certain electives, your child's absence may result in their space in a course being reissued to another student

SCHOOL FEE COLLECTION

This year, we will be collecting our student fees using the school district's secure online fee payment system. We encourage families to log on to our system early.

Please find a current school fee schedule on page 10 of this newsletter. We would appreciate your attention to this responsibility as soon as possible.

STUDENT DEBTS

Students will be assessed a cost for lost or damaged school property (books, lockers, sport jerseys, etc.) Charges are based on the replacement cost of the item. Students must return the same textbook to receive credit, so avoid lending textbooks and label your text with your full name and student number.

REPORT CARDS

Please note we do not mail report cards. Report cards can be viewed on-line through the Parent Portal. Access instructions are on the website.

SCHOOL BUSES

Please note, there will be no school buses on the first day of school. Bussing will start on September, 6th. Any students eligible to ride the school bus must fill out an application form **annually**. Applications will be available at the office or online. Students should take the form home for parent/guardian signature and then drop off completed forms at the main office. Student Bus Passes will be distributed mid-October.

ABSENCES AND LATES

Students are expected to be at school and in class on time. It is the student's responsibility to be punctual for all classes.

- **ABSENT or LATE** - Parents are asked to phone the school in the morning **or** send a note for the teacher.
- **SIGN-IN** - Students are required to sign-in at the office, if they have a note from parents or if parents have phoned in.
- **SIGN-OUT** - Students are required to report to the office with a note or have a parent phone in if they leave the building for appointments, etc. **Students are not to leave the school premises during their assigned class time without first notifying the office. To do so is truancy.**

VACATIONS DURING SCHOOL TIME

Students away on extended vacations (4 or more days) during school time must complete an extended absence form, available in the office, before departure. The school is not in a position to grant permission to any students to miss school for an extended holiday period, and it is important to be aware of the possible effects on achievement. Further, it is not required that teachers provide work for students on vacation.

2017-18 LOCKER DISTRIBUTION

Students will self-select their lockers online in late August using our automated system here: <http://ems.lockerassignment.com>. Check our web site for more details regarding activation dates.

Logging on to the system:

- Username: Your EMS student Number
- Password: Your birthdate in this format: YYYYMMDD

STUDENT PHOTOGRAPHS

Artona will be here on September 13th. All students must have their photo taken but there is no obligation to purchase photo packages. These photos are used for Go Cards, bus passes, and the school yearbook. Students have the option of purchasing additional photographs directly from the photographer at this time. Order forms will be given to students in homeroom on Tuesday, September 5th. If students are absent or unhappy with the results or if they forget their order forms for photo packages, a “Retake Day” is scheduled for October 4th.

IMPORTANT NOTICE RE: MEDICAL ALERTS

A Medical Alert condition is defined as a physician diagnosed, potentially life threatening condition such as:

Diabetes	Epilepsy
Severe asthma	Serious Heart Conditions
Blood clotting disorders	Anaphylaxis (history of severe allergic response)

Parents are responsible to complete the Medical Alert Form. Parents should update all information each September. In emergency situations, a parent/guardian (or the emergency contact) shall be contacted and the student taken to a hospital/medical clinic. See attachment at end of newsletter.

EMS SUBSTANCE ABUSE POLICY

Students found under the influence or possession of alcohol or drugs at school or at school-sanctioned events will face disciplinary action and jeopardize their participation at future school-sanctioned events, including grad-related activities.

STUDENT PARKING

As there is limited student parking at EMS, student parking is only available to grade 12 students and is on a first-come first-served basis in the designated student rows only. Students parking in Visitor or Staff Stalls (including near or around the portables) or parked illegally (including in the laneway behind the gym), may result in the student’s car being towed at the owners’ expense. Parking at school is a privilege. Unsafe driving practices will result in this privilege being revoked.

PARENT PARKING

Please be sure to park in the marked Visitor spaces only when you visit the school and then report to the office.

Extra Curricular Activities—Get Involved!

Extra-curricular activities are a valuable part of the school's educational program. Our school is proud to offer a range of school based structured organizations for additional school learning. These include many athletic activities and clubs that extend beyond the normal school hours and operate under the supervision of a staff member.

Sports and athletic activities are competitive, individual or team activities that are sponsored by the school and governed by the Surrey Secondary Schools' Athletic Association. Clubs are structured groups of students who come together on a regular basis for a specifically defined and approved purpose.

School District Policy requires that information regarding clubs be sent to you so that you have the opportunity to approve your son/daughter's involvement in such activities. There is a list of activities in your agenda, however a current list of clubs and the meeting times will also be posted on the school website.

Student Accident Insurance

Did you know . . .

Surrey School District does not insure expenses for student injuries that happen on school grounds or during school activities?

You are responsible for these expenses as a parent or guardian.

Parents who would like to purchase accident insurance for their child are advised to choose an insurance provider. Several companies offer accident insurance and you must decide which plan suits your family's individual needs the best.

The Surrey School District and your District Parent Advisory Council provides the opportunity for families to voluntarily purchase private accident insurance through the Kids Plus™ accident insurance program.

Kids Plus™ Accident Insurance offers protection against the potentially high costs of serious injury from unexpected accidents and is especially valuable for families who:

- do not have medical or dental plans,
- have limited plans, as it may help supplement health and dental benefits, or
- have active children who enjoy sports and outdoor activities.

Accidents can, and do, happen

Kids Plus™ Accident Insurance has a selection of plans to suit most budgets. Benefits include coverage for:

- A full year (September to September), 24 hours a day, whether at school or at home;
- Expenses such as ambulance, physiotherapy, private tutoring, counselling, and much more that are limited or not covered by private or group insurance plans, or MSP;
- Injury-related dental treatment, eyeglasses;
- Out-of-province or country emergency medical expenses.

If you change address during the school year, your Kids Plus™ Accident Insurance plan is transferable from school to school, anywhere in Canada.

Insurance premiums range from \$14.50 to \$33.50 per year, depending on the plan selected, and your child is covered all the time, not just while at school. A discounted premium is available for families with three or more children.

The insurance agreement will be between you and Industrial Alliance Insurance and Financial Services Inc. and your Kids Plus™ Accident Insurance Policy becomes effective on the date the enrolment application and payment are received by the insurance carrier.

For more information or to apply online, please visit www.kidsplus.ca, or speak with an Kids Plus™ Customer Service Representative at 1-800-556-7411.

Dear Parent/Guardian,

An important part of our class work often involves using Internet-based tools to create and share learning and to continue building a lifelong digital portfolio. Many tools may require your child to create a personal account, using his/her School District provisioned email account (lastname.firstinitial@surreyschools.ca). Please note that your child may be asked to use Internet-based tools for both classroom activities and homework assignments. Students will continue to hold accounts even after our coursework is completed.

Your written consent to your child's use of Internet-based tools is required by British Columbia's *Freedom of Information and Protection of Privacy Act (FIPPA)*.

If you choose not to provide your consent to your child's use of Internet-based tools, your child will not be penalized in any way and alternate activities will be provided, as appropriate.

It is important to be aware that the majority of the Internet-based tools noted below are online services hosted outside of British Columbia and possibly Canada. While stored outside the country, information in your child's accounts may be subject to the laws of foreign jurisdictions, including, in the United States, the USA Patriot Act.

As a general safe practice, when interacting with any online service, students should take care and avoid posting personal information or personal location that could be used to identify themselves or other persons.

Kindly return a copy of this letter to the office, signed and dated, before the end of September.

Consent: I understand that the information my child may create and store could be stored in or accessed from a location outside of Canada, and I hereby consent, on behalf of me and my child, to my child's information identified above being stored in, or accessed from, a location outside of Canada.

This permission to use the tools indicated above is granted for the duration of my child's time in the Surrey School District.
