Teachers have been working hard to organize classes, taking into account student learning and social/emotional needs as well as overall class dynamics. We are planning to have all students into their actual classrooms by Monday, September 9<sup>th</sup>. Sometimes students are disappointed with their classroom placements and we ask parents to assist their child in adopting a positive ‘can do’ attitude and embracing their new classroom and teacher, despite any initial disappointment. Your help in this matter will go a long way in helping your child build resiliency and adaptability. Early next week, classroom teachers will begin handing out student supplies (that were ordered and delivered to the school) as well as planners. Please ensure that you pay \$4 online for your child’s planner.

Our Meet the Teacher Night is on Thursday, September 19<sup>th</sup> from 6pm to 7pm. We will also be having a free school BBQ from 4:30pm to 6pm, provided by our generous PAC. A free hotdog, bag of chips and a small drink will be provided to everyone! We are looking for some BBQ’s that day (3:30pm set up) as well as some folks to help with the cooking. Please email Ashley Bunting (PAC) or the school office if you are able to help out with any of these things.

We want to thank the parents and members of our community for your continued support. We have a wonderful community and are looking forward to working together to ensure that every child, gets every chance, every day!
