NEWSLETTER #5: September 17, 2021

Dear Parents/Guardians,

It was lovely to see so many parents last night, and we were fortunate the weather held up. Just a reminder, to please send your children to school dressed for the weather because we do send the children out rain or shine for every recess break. Thank you to all the grade 1 to 7 parents who have paid for \$5 planners online. If you haven't already, please do so over the weekend. Scroll down for the instructions.

When you register, you are able to view the instructions in different languages. If you need further assistance, call the school.

TRAFFIC CONGESTION

A BIG thank you to all the parents, daycare providers, and other adults, who are following the posted signs when picking and dropping off children. For safety reasons and consideration of others, we cannot abandon our vehicles in the drop off and pick up zone in front of the kindergarten classes or in the yellow lined fire zone of the main parking lot. If an emergency vehicle has to come, there can't be any abandoned cars in the fire zone.

In addition, we also have a school bus that has to access its pick up spot at the end of the day. Therefore, as last year, we will be closing the gates to the main parking lot before the end of the day. As much as possible, please take the extra few minutes to park in the neighbourhood and walk to the school grounds to pick up your children. We have to keep safety a priority over convenience.

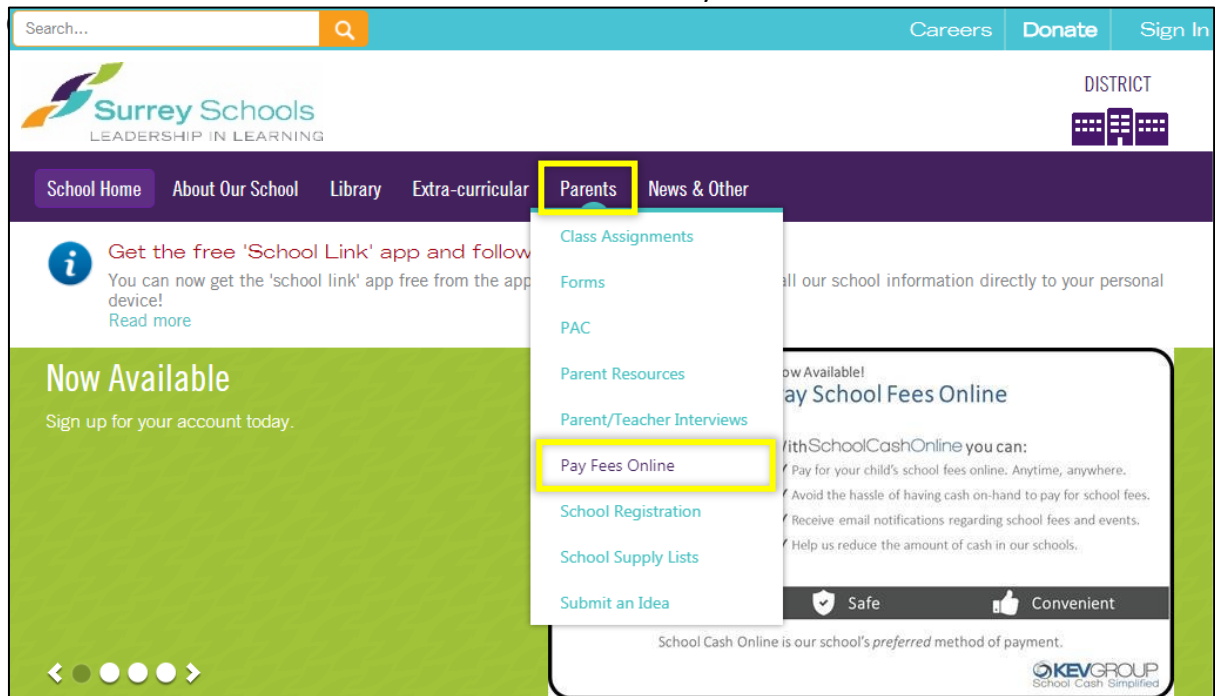

If you choose to use the pick-up and drop off zone by the kindergarten classes, please remember you cannot turn right across the crosswalk. Do not leave your cars to go look for your children because it does hold up the rest of the traffic.

There will be some student leaders starting sometime next week to help greet the children in the morning and to remind drivers to pull ahead as spaces become available. Please remember to "be kind, be calm, and be safe".
