Ey'Swayel Woodward Hill families

As we reflect on this year, we think of all the ways we have come together as a community to look out for one another and to support each other. The staff at Woodward Hill want to thank you for all that you do for all our learners, our children. We wish all members of our community a safe and joyous holiday season. We look forward to welcoming our students back in the new year on **Monday, January 3rd**!

Woodward Hill Musical

A big thank you to Mr. Johnson and all the staff and students who brought *Melton, the Warm-Hearted Snowman* to Woodward Hill. The performance was recorded and is available here

International travel

With international borders open to some non-essential travel, it's important to know the requirements and restrictions for students and staff travelling outside Canada, including to the U.S. and Mexico, as they pertain to returning to school. For example, *those who are not fully vaccinated cannot attend school for 14 days following their return, according to federal travel guidance around COVID-19.*

Please see this revised [International Travel & School Fact Sheet](#) for updated information

Change of clothes

We all know the benefits of active play for children of all ages. Unless it is absolutely pouring rain, students will head outside to play at recess and lunch time. We appreciate parent support in dressing children appropriately for the weather, including wearing boots, a raincoat, a hat and warm clothing. Please also ensure that your child has a change of clothes at school so that they can change into dry clothing.
