MAKERSPACE LAB

Our Makerspace Lab in our Learning Commons is ready and classes are starting to make their way into the lab to create, build and make.

Makerspaces provide hands-on, creative ways to encourage students to design, experiment, build and invent as they deeply engage in science, engineering and tinkering. A **makerspace** is not solely a science lab, woodshop, computer lab or art room, but it may contain elements found in all of these familiar spaces. We are hoping that our school community can help donate some consumable items. Your support is appreciated.

Items needed:

- Toilet rolls (empty)
- Paper towel rolls (empty)
- Film canisters
- Cotton balls
- Screws
- Fasteners
- Hot Glue guns
- Googley eyes
- Sewing items - needles, measuring tapes
