### School Fees for the School Year 2018-2019

Each school year, parents support their child(ren)'s formal learning experiences in a wide variety of ways. We appreciate all that you do to ensure a successful year!

In addition to providing the school supplies itemized on a grade list, parents are periodically asked for monies to cover specific items and/or special events. No student will be denied the opportunity to participate in any school activity due to the inability to pay. Please contact the Principal should you require any financial assistance.

As we plan for the upcoming school year, we anticipate the following costs:

**Student Planner:** We encourage all students in Grades 1-7 to purchase a School Planner at a cost of \$5.00. Included in the planner is our school code of conduct, school calendar and school district information. We find this to be an excellent tool for facilitating home/school communication, as well as for developing our students' organizational skills. However, using our school planner is optional as families may purchase their own version.

**Field Studies and Field Trips:** Classes often enjoy educational visits to community facilities, which extend and enhance the curriculum. While we use school monies or fundraise to cover the costs of such activities wherever possible, there are times when parents are asked to contribute towards the cost of the trip. If you choose to have your child not participate in a field study, a suitable program will be provided at the school.

**Musical Instruments:** Grade 4 students may learn to play the recorder. Students will have the option of purchasing one through our music teacher for \$5 or receiving one on loan from the school. Also, our Grade 7 students who opt for/take band will either purchase or rent an instrument. Costs vary depending on the instrument.

**School Supplies:** We are happy to make available an option for parents for the 2018-2019 school year. School supplies may be purchased from *School Start Supplies* for students in Grades 1 through Grade 4. Supply lists will be out soon and all cheques must be written to "*School Start Supplies*". The student's classroom teacher will collect the orders for the Grade 1 to Grade 4 school supplies if you choose that option. The Grade 5 to 7 classes will have school supply list with their final assessment letter. All school supply lists will be posted on the school website. **The purchase of the school supplies for the Grade 1 to 4 classes through the school is optional.**

Each classroom teacher will give a more comprehensive list of next year's proposed optional fees to parents in the fall. Should you have any questions or concerns please do not hesitate to contact Mrs. Whyte.
