Principal's Message:

*With Spring on its way and with the hope of sunny weather, we are reminded of how quickly this year is moving along! **Remember to set your clocks ahead one hour on Sunday morning.***

Kirkbride continues to be a busy and vibrant school, filled with enriching activities and hard-working students, staff, and families. Some of the highlights that have occurred over the past few weeks included opportunities to participate in athletic, academic and creative events.

Congratulations to our boys' and girls' basketball teams on their great seasons. The season-ending girls' tournament took place last week and they finished 1st. The boys are playing on this Tuesday. Players on the teams developed their skills, made new friends, and represented our school well.

Grade 6 and 7 students, who joined up to play badminton, have started this week developing their badminton skills and will begin playing games against other schools in the current badminton season.

Report cards go home on Thursday, March 12. I would like to congratulate all of our students on their successes during the past term. Have a safe and active Spring Break! Spring is a time of renewal and it is hoped that we can all take the time to enjoy the break. We also hope that students come back fresh and eager to learn in the third term. Take care everyone and see you on Monday, March 30, 2020.
