Mission Statement: The staff of Kirkbride Elementary School is committed to fostering positive, supportive relationships between students, parents and school personnel

Principal's Message:

*With Spring on its way and with the hope of sunny weather, we are reminded of how quickly this year is moving along! **Remember to set your clocks ahead one hour on Sunday morning.** Kirkbride continues to be a busy and vibrant school filled with enriching activities and hard-working students, staff, and families. Some of the highlights that have occurred over the past few weeks included opportunities to participate in athletic, academic and creative events.*

Congratulations to our boys' and girls' basketball teams on their great seasons. The season-ending tournaments that took place last weeks saw the teams play hard and display excellent sportsmanship. Players on the teams developed their skills, made new friends, and represented our school well.

Grade 6 and 7 students, who joined up to play badminton, have started this week developing their badminton skills and will begin playing games against other schools in the current badminton season.

Report cards go home on Tuesday, March 12. I would like to congratulate all of our students on their successes during the past term. Have a safe and active Spring Break! Spring is a time of renewal and it is hoped that we can all take the time to enjoy the break. We also hope that students come back fresh and eager to learn in the third term. Take care everyone and see you on April 1, 2019.

Please do not send food to school that contains peanuts/nuts, remind your children to wash their hands carefully after eating, remind your children not to share or trade snacks and do not use these products in any treats you may send into the classroom over the year. Thank you for your continued understanding and cooperation as we work together to make our school a safe environment for all students.

Sign-Out Procedures

Occasionally, parents come to school to take their child(ren) out of school early for appointments, etc. Parents are asked to write a note to inform the teacher(s) affected, and are also reminded that they should visit the office to sign out their child(ren) formally.
