May 22, 2015

It is the last week of May and a lot of exciting events are happening at Cindrich! There is no school on Monday, May 25th. It is our last Pro-d Day of the school year. The staff will be planning and working together to design our 2015 – 2016 school year.

Bike to School Week

We have been actively encouraging our students to participate in Bike to School week May 26-29. Bike to School week is a province wide initiative focused on encouraging children to be active every day. To participate, your child needs:

1. A bicycle in good working order
2. A helmet to wear while riding
3. A lock to secure bicycle at school

If your child does not have a lock for their bicycle we will secure their bike in the fenced area underneath the gym. Students with locks can secure their bicycles to the bike stations at the back of the school or the fences on the grass field. To learn more about Bike to School week visit www.bikehub.ca

Playground News

We have exciting news to share! Our PAC has reached their goal to complete part two of our playground. We had the City of Surrey contribute some funding to help us complete this project. We are very grateful to all our families and the City of Surrey for helping make this become a reality. The installation should be completed by September 2015.
