PRINCIPAL'S MESSAGE

As Hallowe'en gives way to our Remembrance Day Assembly, we begin the first formal reporting period. Teachers are very busy working through this important process with your children and the support staff. Good starts have led to positive growth over the first term. Less than satisfactory starts continue to be addressed, and if major concerns have surfaced then you would have been contacted by the teacher.

The tone of the school has been very workmanlike over the past many weeks as the staff strive to develop the best writers and readers through sound, pedagogical practice.

Parents are an integral part of students' learning and we encourage you to provide scheduled time every evening when your child is expected to read or better yet, when you read together. Spend a little time as well reviewing math facts and concepts. Without your active participation and support our students can't reach those higher levels of achievement.

Mr. J. Frank
