FRIDAY, September 27 – ORANGE SHIRT DAY

Orange Shirt Day was created during the St. Joseph Mission Residential School Commemoration Project in Williams Lake, BC, in May 2013. As part of the project, former student, Phyllis (Jack) Webstad, told the story of her first day at residential school when her shiny new orange shirt, bought by her grandmother, was taken from her as a six-year old girl, which prompted the realization that many survivors have similar stories. As a result, Orange Shirt Day is gaining visibility as an influential movement helping to educate our students and communities on the history of Canadian Residential Schools. Teachers will be embracing and exploring this topic within their classroom. They will use the colour orange as a way of bringing attention to these most important issues. At Ellendale we will be observing Orange Shirt Day on Friday, September 27.
