

# North Surrey Lions Club

## VOLUNTEERS NEEDED!

Are you interested in serving your community? Consider joining the North Surrey Lions Club as a volunteer or member!!!

Chartered in 1957, the North Surrey Lions Club has, and continues to, support all areas within the community. Some examples are:

- Currently we are actively supporting the Surrey School Breakfast program with our weekly Meat Draw.
- We award three \$5,000 scholarships a year to deserving Surrey students for post graduate studies.
- We have, this year alone distributed, \$40,000 in gaming grant monies to local charities. We earn this money through our volunteer hours.
- We are part of CLERC, an eyeglass collection program that recycles eyeglasses and distributes internationally where needed.

Attend a meeting and see how you can be part of an international organization serving the needs of the less fortunate.

Meetings are held the 1<sup>st</sup> and 3<sup>rd</sup> Tuesday of every month at Len Shepherd in the Guildford area.

For more details please contact Val Barker, Membership Chair, at
