### Principal's and Vice Principal's Message

It's hard to believe that it is already the beginning of November. Our school has been a busy place for both students and staff as we learn and grow together.

Many thanks from the staff for your continued support of your children's learning and for staying up to date on events taking place at Beaver Creek. Children need opportunities to discuss what they have learned at school and to debrief the day's events. Listening, praising, offering advice and helping with organizational skills are important ways that parents can support their child's success at school.

Interim Reports were sent home last week to share student's progress. Please review this document with your child. If you did not receive a report, please contact your teacher.

Please check our school website <http://www.surreyschools.ca/beavercreek> and twitter account @BCreek36 for an updated calendar of events and further school information.

Kind regards,

*Ms. Anderson*

*Mr. MacLennan*

## **Photo Retake Day — November 24, 2021**

Mark your calendars on November 24 for photo retake day.

### **Rainy Day Policy**

The rain is here! Please have your child(ren) dress appropriately for the weather. We do not recommend sweater hoodies as appropriate rain gear. They will be going out at recess and lunch unless it is raining too hard. We will make the decision daily.

## Student Absences

As the season changes, we see an increase in the incidence of illness. Please follow the guidelines below for keeping your child home when he/she is ill.

*\*Students do not return to school until they are fever or symptom free for 24 hours.*

*\*If a student vomits, they need to wait 24 hours before returning to school.*

If you have questions about whether or not your child is able to return to school, feel free to give us a call.

---

In order to limit the number of people entering our school we ask that no visitors are permitted in the school without prior permission.

Anyone entering the building must sign in at the visitor table and please ensure you are wearing a mask and maintaining safe distance measures.

Masks and practicing a physical distance of 2m should also continue anytime while on school property such as when dropping off and picking up children.

Thank you for your continued cooperation.
