**1.35pm Early Dismissal**

So far this year, you may have had several interactions with your child's teacher, communication through digital portfolios (Freshgrade and Spaces), and an interim communication earlier this month.

Twice a year we have early dismissal dedicated to communicating learning with parents and guardians. Thursday is a time to connect more deeply with your child's teacher around learning. You will have received information from them about times to meet and how to reserve a time (face to face or virtual). Please don't hesitate to reach out to myself or your child's teachers if you have any questions.

Please note that all Fraser Health protocol remain in place. If you are coming to the school for a face to face meeting, please wear a mask, sanitise hands and come to the exterior classroom door. We appreciate your support in continuing to keep our community safe. Thank you.

We looking forward to seeing you Thursday!
