

NPC ARTS CENTER SOUTH SURREY

Elementary (K-Grade 7)

Signature Elementary Visual Art Program introduces children to a wide variety of artistic media and techniques. During the semester, students will explore painting with different materials, drawing & sketching, crafts & mixed media, also creative projects.

Speciality Courses

- Procreate (Digital Art)
- Sculpture
- 3D Modeling & Printing

Secondary (Grade 8-12)

Middle school art program challenges students' creativity and critical thinking while strengthening visual communication through exploration of traditional and digital media.

Speciality Courses

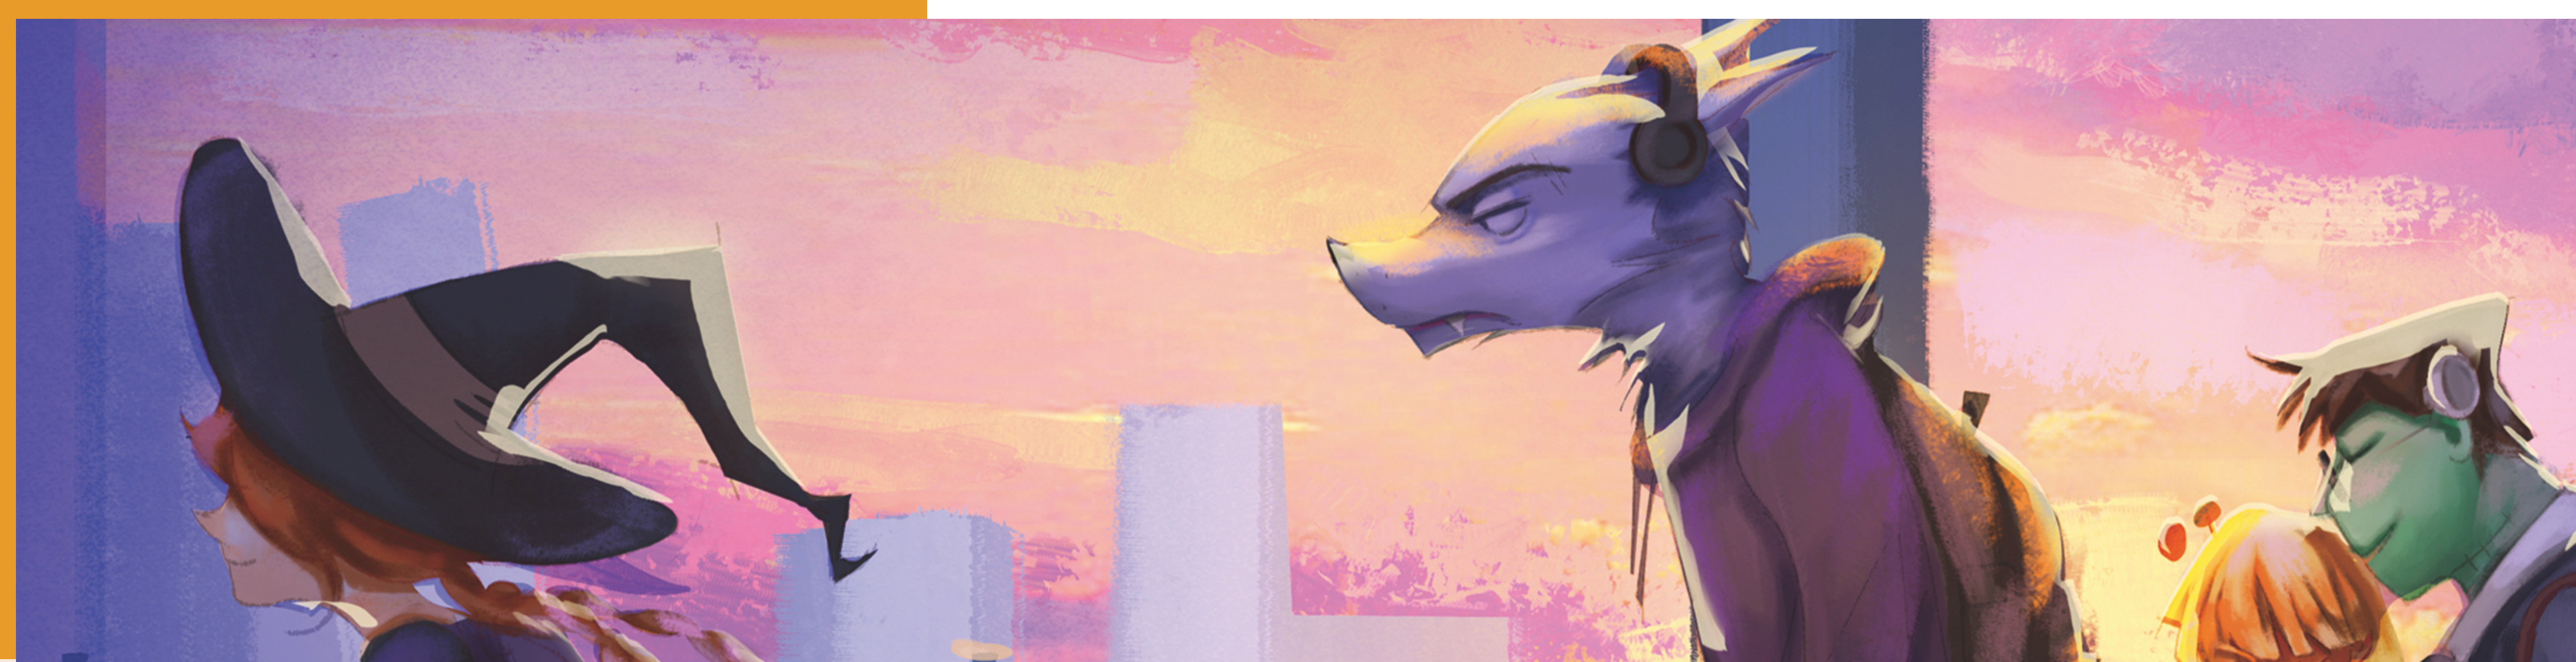

- AP Art tutoring
- Art competitions and programs (ex. Scholaristic Art & Writing Awards)

Portfolio (Grade 11-12)

Portfolio Preparation course guides students in creating a cohesive and professional portfolio for art school applications.

College Planning (Grades 8-12)

Guides students through academic preparation to reach their goals of art & design colleges, as well as comprehensive universities with art disciplines.
