#### 8) **Committee Reports-**

##### **8.1. Spirit Wear Summary- Sarah Imrie spoke on behalf of Nikki Mayer**

Committee consisted of Nikki, Sarah And Suzanne. 154 units were sold this round and 1/3<sup>rd</sup> of the items were personalized. The orders were increased by 54 new orders. A dozen coffee cups and water bottles were ordered as well as a handful of toques. These 3 items were new to this ordering round. Things that helped out this time around was the table at the Family BBQ to promote it and let everyone who attended see the item options. Having the new items added assortment and helped keep it new and exciting. We saw a lot more Red and Blue ordered this time around. There have been some hiccups specifically the embroidery as it had to be done through a third party and there was no easy flow from us to them, so there was room for manual error. Nikki is considering only doing 1 more round in February rather than 2 rounds (in Jan April) due

to the amount of time it takes to get all this put together. Thank you Andrea Sekhon for taking the lead collecting orders and being the liaison between Nikki and the teachers.

**8.2 Pancakes & PJ's – Sarah Imrie**

Committee working hard. Trying to find a large electric grill so pancakes can be cooked inside gym. Proving to be difficult. Will have different stations for kids for activities. More detail at next PAC meeting.

**8.3 Sibling School Update – Malinda Allanson**

Donations are doing well. More socks are needed either gently used or new. Trying to beat the number of sock donations from last year which was 1,128. Some classes are making Christmas Crafts to sell at Christmas market. Proceeds to go towards gift cards to Superstore for Sibling School families.

**8.4 Green Team – Kate Kowalczyk**
