

Cheque Drive

Ocean Cliff Elementary PAC

February 13th to February 23rd

Each year, our school community pulls together to raise money for school enhancements, targeting a specific need in the school for our children. In past years we have raised money for items including: the playground, laptops, iPads and more!

This year we are raising funds for an:

EARTHQUAKE BIN

An Earthquake Bin will enable us to store emergency supplies in a safe secure location outside of the building to ensure easy accessibility in the event of an earthquake emergency. This will also free up valuable space inside the school for student use on a daily basis. Any funds raised above the cost of the Earthquake Bin will go towards the purchase of additional technology for the school.

OUR GOAL IS TO RAISE \$7,500 – that is just over \$20 per student if everyone contributes!
