Dear Ever Creek students, parents, and families:

I am reaching out today to provide notification that due to our change to a Quarter system from our traditional Semester system, we need to make changes to our school calendar and our Communicating Student Learning for the 2020-2021 school year.

Following the current Health & Safety guidelines we are unable to invite families into the school for Parent-Teacher Conferences. This is certainly a loss for us and for our community and we look forward to these important conversations occurring inside Ever Creek in the future. In-lieu of these meetings we will be moving to four In-progress reporting periods over the course of the year. Each Quarter will have one In-Progress reporting week and one formal report card at the end of the quarter. Due to these changes in Communicating Student Learning we will be required to make some changes to our school calendar (please see below).
