

Bbats Mid Month Update

Ms. Leah Christensen, Principal

October 25, 2021

PAC Needs You!

PAC generously voted to devote \$3000 towards our Three-Year OPAL (Outdoor Play and Learning) vision. We have already paid for plans that were drawn up by a professional landscape architect last year; the plan expands our front garden and forest grove into three distinct learning classrooms. This will require considerable funds working alongside the district. Our first priority is to create a more sustainable learning area in *Salh Tumuxw* (Our Learning Circle in the Forest Grove by the gardens). This is estimated to cost \$4000.

We are also writing grants to help expand our gardens with more beds, storage and gardening tools.

PAC also funds many other aspects of your child's school experiences including gym equipment, technology, busses for field trips, on site learning (past options have included Theatre, Yoga and the Vancouver Aquarium Aqua Van), and teacher funds for special classroom arts and crafts supplies.

This year, PAC has already planned two great fundraisers. We hope you will be able to support them as all funds directly support your child's experiences at Bothwell.

Hallowe'en Fun at Bothwell

Your child is welcome to dress in costume on Friday, October 29th. As always, please ensure any replica weapons are not part of the costume and remain at home. We also encourage you to discuss with your older children the importance of having "G-rated" costumes. There are many movies, series and video games that have violent characters and themes that are not appropriate for K-7. Thank you for helping to ensure we create a fun, safe and respectful day together.

Please remember: We have strict health and safety guidelines and are not permitted to share any food that is brought from home. Please do not send anything to share (e.g. cupcakes, donuts, etc.).

Thank you.
