DONATION SUGGESTIONS

\$25

I don't want to bake - or run to the grocery store for pre-made treats. I would rather donate to save my sanity (and kitchen)!

\$50

I don't want to ask my friends, family, or co-workers for a dime - it isn't the right time. Multiply that by the number of children I have attending the school. Ugh. This donation will cover all my efforts.

\$75

I don't want to walk, run, swim, or participate in any activity that has the word 'thon' in it. Virtual event? Forget it!

\$100

I haven't volunteered or joined PAC... no matter how many times you emailed or texted! Take this donation and forget my name;)
